## CRITICAL CARE COURSE OVERVIEW

The CCEMT-P course is open to any paramedic, nurse or registered respiratory therapist who has worked in that capacity for a minimum of one year. This intensive two and a half week course will prepare the student to become a critical care transport specialist. **Attendance at all classes is mandatory.** Students with 100% attendance will be evaluated with a written examination at the end of the course. Upon successful completion, the student will receive a renewable certification from UMBC valid for three years.

This 96 hour course has been approved by UMBC, an organization accredited by the Continuing Education Board of Emergency Medical Services (CECBEMS) [www.cecbems.org](http://www.cecbems.org). In addition, 96 hours of continuing education credits will be issued on an hour for hour basis through the Loyola EMS System and the Illinois Department of Public Health.

Attendees will have the opportunity to schedule observation time with Loyola LIFESTAR (Air Methods) critical care air/ground transport service. Additional observation time can be scheduled with the Burn Center, Pediatric Intensive Care Unit and/or Trauma Intensive Care Unit upon request.

**Please note: Clinical units now require proof of immunity. A completed *Immunization Verification Form* must be submitted prior to a request for observation time.**

## COURSE CONTENT

*Critical Care Environment*  
*Medical*  
*Airway Management*  
*Trauma*  
*Special Considerations*

## COURSE SCHEDULE

Critical Care classes meet 8:00 am – 5:00 pm.  
Week 1: M – F      Week 2: M – F      Week 3: M – W

The final exam is scheduled on Wednesday May 2, 9:00 am – 1:00 pm  
The Scheduled Retest will take place on Thursday, May 3, 9:00 am – 1:00 pm

## REGISTRATION INFORMATION

- Enrollment is limited to 30 students. Students are encouraged to register early as the course is frequently filled prior to the deadline.
- Course tuition is \$1200.00 and includes textbook and testing fees.
- Payment must be submitted with the enclosed registration form.
- Travel and lodging information is available upon request.
- Confirmation packets and the Student Manual on CD Rom will be mailed 3-4 weeks prior to the start of class.

## IMMUNIZATION VERIFICATION FORM

All students and observers who have contact with patients at Loyola University Medical Center and Loyola EMS System affiliate agencies and institutions must comply with LUMC Hospital Infection Control policies.

**Incomplete immunization information will preclude enrollment into the EMT-Paramedic Program.**

Last name	First Name	MI
-----------	------------	----

**Please attach copies of all laboratory test results**

<b>TUBERCULIN TEST</b>		
PPD skin test is valid for <u>one year</u> from date read. Student must have a valid test result on file throughout the duration of the course		
PPD (Mantoux)	<input type="checkbox"/> Negative <input type="checkbox"/> Positive	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year
If skin test is positive, chest x-ray required every 4 years.		

<b>BLOOD TITERS</b>		
If blood test result does not show immunity for any of the following, attach copy of follow-up immunization record.		
Measles (Rubeola)	<input type="checkbox"/> Immune <input type="checkbox"/> Not Immune	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year
Rubella	<input type="checkbox"/> Immune <input type="checkbox"/> Not Immune	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year
Mumps	<input type="checkbox"/> Immune <input type="checkbox"/> Not Immune	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year
Varicella	<input type="checkbox"/> Immune <input type="checkbox"/> Not Immune	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year
Hepatitis B	<input type="checkbox"/> Immune <input type="checkbox"/> Not Immune	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year

<b>HEPATITIS B</b>		
If you have not had the Hepatitis B series, or blood test does not show immunity, you should begin this process as soon as possible. The Hepatitis B series takes four to six months to complete.		
Dose 1 <u>    </u> / <u>    </u> / <u>    </u> month/day/year	Dose 2 <u>    </u> / <u>    </u> / <u>    </u> month/day/year	Dose 3 <u>    </u> / <u>    </u> / <u>    </u> month/day/year

<b>Td (TETANUS/DIPHERIA)</b>	
Must be within ten years of the first day of the course.	Date <u>    </u> / <u>    </u> / <u>    </u> month/day/year

Signature of Heathcare Provider	Date
---------------------------------	------

**NOTE:** In addition to the above immunizations, students accepted into the EMT-Paramedic Program will be required to show proof of the Seasonal Influenza Vaccine once it becomes available.
