## National Paramedic Review Course

November 7, 8, 9, 14, 15, 16, 2017  
9:00 am – 4:30 pm

Loyola University Medical Center ♦ EMS Classroom  
Certificate of Completion awarded

### Course Overview

The Loyola EMS National Paramedic Review Course is designed for paramedics who want to:

- **Renew their National Registry certification.** This course covers the 30 hour mandatory national competency component or the 48 hour core content requirement for National Registry recertification.
- **Challenge the National Registry exam.** This course is a comprehensive **review** of topics included in the National Registry exam. Participants will be able to identify areas of weakness that should be studied prior to taking the exam.

\* Course participants are responsible for contacting the National Registry directly for renewal or test registration.
