## National Paramedic Review Course

November 7, 9, 10, 14, 16, 17, 2011

8:00 am – 5:00 pm

Loyola University Medical Center ♦ EMS Classroom

48 Hours CE Credit

### Course Overview

The Loyola EMS National Paramedic Review Course is designed for paramedics who want to:

- **Renew their National Registry certification.** The course provides 48-hours of continuing education that combined with current ACLS certification, meets the National Registry renewal requirement.
- **Challenge the National Registry exam.** The course is a comprehensive **review** of topics included in the National Registry exam. Participants will be able to identify areas of weakness that should be studied prior to taking the exam. (Sign-up for the computer-based written and practical exam is via the National web site.)
- **Obtain CE hours to renew their state license.** The full course is approved for 48 hours of continuing education credit by Loyola EMS System and IDPH. Hour for hour credit will be given for individual days.

\* Course participants are responsible for contacting the National Registry directly for renewal or test registration.
