Course Overview

B to P Bootcamp is a 40 hour course designed for EMT-Basics who wish to pursue advanced training at the Paramedic level. This informal class will include lectures, skill labs and small group activities. It will focus on establishing a firm foundation for students who want to be well prepared for the paramedic program. In addition to 24 hours in class, students will complete 16 hours of clinical time.

Course Content

Getting down to Bare Bones

Taking the mystery out of medical terminology

Sorting out the Systems

Learning how the different body systems work

What Does That Do?

Introduction to pharmacology

What the Heck Are You Asking?

Strategies for taking exams

Registration Information

Please complete the registration form and submit it with payment to the Loyola EMS office. **Application deadline is September 1, 2010.** Class is limited to 30 students.
