Loyola EMS Office – CCEMT-P Registration
Loyola University Medical Center
Building 110 – LL
2160 South First Avenue
Maywood, IL 60153

Registration Deadline: September 17, 2010

For further information call the Loyola EMS office 708.327.2533 or send an email to gworlds@lumc.edu

Critical Care Course Overview

The CCEMT-P course is open to any paramedic, nurse or registered respiratory therapist who has worked in that capacity for a minimum of one year. This intensive two-week course will prepare the student to become a critical care transport specialist. **Attendance at all classes is mandatory.** Students with 100% attendance will be evaluated with a written examination at the end of the course. Upon successful completion, the student will receive a renewable certification from UMBC valid for three years.

This 84-hour course has been approved by UMBC, an organization accredited by the Continuing Education Board of Emergency Medical Services (CECBEMS) www.cecbems.org. In addition, 84 hours of continuing education credits will be issued on an hour for hour basis through the Loyola EMS System and the Illinois Department of Public Health.

Attendees will have the opportunity to schedule observation time with Loyola LIFESTAR (Air Methods) critical care air/ground transport service. Additional observation time can be scheduled with the Burn Center, Pediatric Intensive Care Unit and/or Trauma Intensive Care Unit upon request.
